

The Munay-ki ~ Rites of Initiation

Contributed by Juliana Freeman

"I love you, Be as you are" The Munay-Ki are nine great rites of initiation that heal us and transform our energy field into pure light. The prophecies of the ancient Americas speak of a new human appearing on the planet, one who lives free of fear and resides in his or her transcendent nature. The Munay-Ki are the codes for this new human.

These rites were first given to ancient teachers by angelic beings and have been held within the tradition of the Laika, the high wisdom keepers of the Inca. They have been passed down through generations and would be gifted to an individual when they were ready to receive each rite. Since 2006, when the Creator rite was received on the planet for the first time, the Laika felt the urgency to make these rites available to all people of all traditions. The rites are given in this order:

Foundation Rites:

Healers Rite: This connects you to a lineage of luminous beings from the past, who come to assist you in your personal transformation. This awakens the healing power in your hands so that everyone you touch is blessed. These luminous ones work during your sleep to heal the wounds of the past and of your ancestors.

Bands of Power and Protection: These are five luminous belts that are woven into the luminous energy field. They act as filters to break down any negative energy that comes towards you and connects you deeply to the five elements of nature; earth, water; fire; air and pure spirit.

Harmony Rite: This connects you to the archetypal energies of Serpent, Jaguar, Hummingbird and Eagle as well as three archangels, the Keepers of the Lower, Middle and Upper Worlds (our unconscious, conscious and higher conscious). These connections bring peace and harmony to our world.

Seer's Rite: This connects the visual cortex with the third eye and the heart chakra, awakens the inner "seer" and facilitates your ability to perceive the world of Spirit.

Vibration of Angels and Archangels

Daykeeper's Rite: This connects you to a lineage of master healers from the past who were responsible for holding the earth in balance and who tended the ancient altars and holy places. This rite heals your inner feminine and enables you to step beyond fear and to practice peace.

Wisdomkeeper's Rite: You connect to a lineage of luminous beings from the past and the future, from whom you can ask guidance for your life. This rite helps you to heal your inner masculine, to step outside of time and to taste infinity.

Earthkeeper's Rite: This rite connects you to the archangels that are the guardian of our galaxy and stewards of all life on Earth. It connects you to the stars, including our local star the Sun. This helps you to begin to dream the world into being.

Starkeeper's Rite: This rite anchors you safely to the time after the great change we are now experiencing which will culminate around 2012. The ageing process begins to slow down, the DNA is re-informed and you become resistant to disease. You create a new future for yourself.

Creator Rite: This awakens our own inner Creator light and enables us to become Stewards of all creation. This rite was only attained through direct transmission from Spirit before 2006 but it is now possible to transmit this rite from person to person.

The Munay-Ki, which means "I love you, Be as you are" will awaken all aspects of your Being over time. The rites are given to you as seeds, as potentials that must be developed within you to receive their full benefit. With sincere intention and an open heart these rites will reveal themselves to you and will transform your life. You will have access to a lineage of luminous beings who will assist you to move you into a new light-filled, peaceful future. Even healers and people who have been involved in personal transformation for many years have reported huge benefits from receiving these rites, including increases in psychic vision, healing ability, expansion of energy and awareness and deeper connections to the world of spirit. I am giving the Munay-Ki transmissions in small groups, usually of two rites at a time. The first four rites can be received fairly close together and then there will be a longer gap in-between rites to allow time for integration. I can run groups during the day, evenings or at weekends and the cost for each session is £45. This covers my time and other costs but there is no charge for the transmission of the rites themselves. Once you have made your own inner connections with the energies, you will be able to pass them on to others in this way. It is my absolute joy to pass these Munay-Ki rites on to you ~ they are the most wonderful transformational and inspirational energies I have experienced after 30 years of being involved in the healing worlds.
